“Absolute purity on the nose, with layers of fruit and flowers full of freshness, greatness on the palate with immense precision in the outline of the tannins [...]. This wine has an intangible quality, full of spirituality.”

“There is not much to say about the 2016 Lafleur except that it is stunning. A Pomerol of extraordinary purity and finesse, the 2016 simply has it all [...] Readers will have to be patient with the 2016, but it is a jewel of a wine [...].”

“[...] Deeper and more concentrated than Pensées but less immediately seductive on the nose therefore [...] Really quite serious. Dense and a wine to have a conversation with. Minerally finish.”
