Ausone 2016: Quality score vs ex-négociant price per bottle (€)

2016's excellent Quality score puts it at a similar level as 2009, 2010 and 2015. Whilst its ex-négociant release price is likely to translate in to a similar £ market price to 2015, it will put it significantly below that of 2009 and 2010.

“A regal, soaring wine, the 2016 Ausone is one of the wines of the vintage [...] Stunningly beautiful and precise, Ausone is shaping up to be a jewel of a wine.”

“Deep crimson. Very ripe nose and then rather chewy end. Drying finish. Not charming for the moment - even a little exaggerated [...]”
