Lafite 2016: Quality score vs price per bottle (£)

Lafite's release price of £500 per bottle puts it comfortably below the current market prices of 2009 and 2010, for a not dissimilar Quality score, making it an attractive proposition en primeur.

Jancis Robinson

“[...] A really rather delicate Lafite. Nothing in excess; it's true and very classic claret - very Lafite - but arguably just a little muted.”

981 2016 Quality

“Polished, silky and captivatingly beautiful. There is a level of precision to the flavors that is simply mind-blowing. [...] I imagine the 2016 will develop into a stunning wine once it comes together a bit more fully [...]”
