

Wine Lister's ground-breaking system consists of three main rating categories: Quality, Brand, and Economics. Each category contains several criteria, carefully selected and weighted, resulting in a holistic assessment of a fine wine's performance – overall and for each vintage. The 2015 achieves Yquem's best Quality score since 2001. Its release price (£264 per bottle) puts it at a similar level to the current market value of the 2010, which achieves a lower Quality score. Arguably the 2011 looks a good buy given its similar Quality score and current market value (£200).
