

Wine Lister's ground-breaking system consists of three main rating categories: Quality, Brand, and Economics. Each category contains several criteria, carefully selected and weighted, resulting in a holistic assessment of a fine wine's performance – overall and for each vintage. Opus One Quality score vs average market price

The 2014 release price of £210 per bottle puts it below every recent vintage on the market, and 11% below the equally-rated 2011.

Across all vintages Opus One has the third-highest Wine Lister Economics score of any Californian wine, due to strong price performance and excellent liquidity.
